

## Friendship Church Worship Support Report for 2020 Charge Conference

Friendship Church's Worship Support Team consists of several members:

Muffy Paquette- Co- Chair Worship Support and Acolyte Coordinator

Vicki Karns- Co-Chair Worship Support

Donna McWilliams- Graphic Design

Pat Prins- Projection and Sound; Drama

Kathleen Campbell- Communion Steward Coordinator

Michelle Braxton- Interim Music Director, Organist, pianist

Jane Pierce-Children's Choirs (on hiatus due to Covid)

Carolyn Larsen- Flower Coordinator (on hiatus due to Covid)

Worship Support Team has been sidelined by the shut down of worship services due to Covid 19. Our in-person worship has resumed with very little attendance; most members are worshipping via Zoom or Facebook. The team continues to provide support when needed for special services, like an outdoor World Communion service and a Christmas Eve service to come.

### Worship Support continues its work:

- Helping to create special services: ex: Ash Wednesday, Easter, Advent, etc.
- Providing graphics, video and sound for services
- Our music program has been put on hold. Our interim music director Michelle Braxton has provided us with special music each week, with guest musicians, occasional soloists and numbers from our Praise Band. All music is pre-recorded with no one in attendance in the sanctuary.
- Providing paraments and decorations for our worship area and for special seasonal events

Our hope for the year ahead is to resume in person worship, music programs and special services when it is deemed safe.
